

Still Corners revin in concert la Bucuresti!

BUCURESTI - 27 mai 2019 ora 15:45

Comunicat tip General in Arta & Entertainment, Educatie / Cultura, Monden / Lifestyle

Dupa show-ul sold-out de anul trecut, formatia britanica [Still Corners](#) , cunoscută pentru stilul dream-pop inconfundabil, va concerta din nou la [Bucuresti](#) , sambata aceasta, 1 iunie, dupa ora 21, la [Control Club](#) . Ultimele bilete pot fi achizitionate prin [Eventbook.ro](#).

poster Still Corners

Infiintat in 2010, la Londra, Still Corners este proiectul dream-pop al producatorului Greg Hughes si cantaretei Tessa Murray. Cu influente diverse, de la Vangelis si Ennio

Morricone, la synthpop -ul fermecator al anilor '80, cei doi au atras atentia casei de discuri Sub Pop, care le-a lansat primele doua albume.

Anul trecut, Still Corners au revenit cu albumul Slow Air, lansat la propriul label, Wrecking Light Records, un disc compus si inregistrat in Austin, Texas, ce continua explorarea unui sound atmosferic, specific formatiei, punctat de linii de chitara acustica si electrica.

Noul disc a insemnat un amplu turneu in Europa, Statele Unite si Asia si deschiderea catre un public mai larg. Recent, piesa lor Submarine a fost inclusa in compilatia Uncut Magazine, curatoriata de The National.

Slow Air is an excellent, if not totally innovative, album of crafty atmospheric dream-pop that is rich and full and can be enjoyed at low volume as soothing morning music or as engaging rock music blasted at full volume. – Under The Radar

The atmosphere of Slow Air enralls with captivating layers of sedated synth and breathtaking reverb. – The 405

Concertul Still Corners de la Bucuresti este organizat de Control Club si Liveland .
