

## Transylvania Drawing Tour - a walking tour of the Saxon villages

Locul desfasurarii: Sighisoara area

Organizator: Cultural Travel & Tours

Dear Sirs, Following a successful workshop in the Sighisoara area organized last spring by INTBAU (the International Network for Traditional Building, Architecture and Urbanism), INTBAU and CT&T (Cultural Travel & Tours) are now pleased to announce a 6 day study tour that is meant to explore the villages in the area between Biertan and Sighisoara. The Transylvania Drawing Tour - a walking tour of the Saxon villages with drawing instruction is aimed at all those who wish to discover in an active way one of the last unspoilt regions of Europe.

Walking between its villages without having to worry for their luggage or accommodation, the participants will be able to discover rural communities with specific patterns of architecture, take drawing lessons, take pictures or just enjoy the spring at its best in the valleys and on the hills. They will thus get to know the cultures that have shaped the history of this region for the past 800 years. The tour (more details on [www.cttours.ro](http://www.cttours.ro) ) will start on the early morning of Sunday, May 28 and will end on Friday, June 2 in Sighisoara. Hoping that the above might arouse your interest and looking forward your participation in this tour, we thank you for your kind consideration. Sincerely, Catalin Rata Director Cultural Travel & Tours Catalin Rata Director Cultural Travel & Tours Travel in time, any time ... all over Romania! Tel.fax: 0213363163 Mobile: 0744 373 135
